SIGNATURE APPROVAL
This proof is to be checked for correct artwork, barcode, layout, placement, and PMS color number.
This proof is not exact for color match; see PMS book for precise color.
CSI is not responsible for barcode certification with proof, please make sure that barcode is correct before approval.
If changes need to be made, please note and return - a revised proof will be submitted for final approval.
For signature approval, please email the proof to: proof@csiconsulting.com or call for CSi to proceed to making plates.
Please send signed copy back to CSI via email or mail.
